Scottish Start-Up Month

Pledge Your Support

This September we're looking for businesses and organisations across Scotland to support Scottish Start-Up Month – our month-long celebration of the Scottish entrepreneurial spirit.

No matter what size your business or the organisation you work in is, what sector you operate in or where you are in Scotland, we're looking for everyone to pledge their support and help us spread the word about Scottish Start-Up Month.

We're on the search for the country's next wave of business owners, those kitchen table dreamers, side-hustlers, or those who want to be their own boss and are looking to take the first step.

With your support, we can encourage them to get started, and highlight that Business Gateway is there to help with free, tailored advice and resources.

We offer year-round business support and access to a network of local advisors located throughout Scotland, so we're here to help every step of the way.
